Chicago Society Woman Who Was So Sick She Could Not Sleep or Eat, Cured by Doan's Kidney Pills.

When a woman's kidneys go wrong, her back gives out and every little task becomes a burden. She is tired, nervous, sleepless, run down—suffers daily from backache, headache, dizzy spells, and bearing-down pains.

Don't worry over imagined "female troubles." Cure the kidneys and you will be well. Read how to find the cure.

Marion Knight, of 33 N. Ashland Ave., Chicago, Ill., member of the Chicago Federation of Musicians and a well-known club woman, says: "This winter when I started to use Doan's Kidney Pills I ached in every bone and had a pain in the kidneys and pelvic organs. The urine was thick and cloudy, and I could barely get enough to live. I felt a change for the better within a week. The second week I began eating heartily. I began to improve generally, and before seven weeks had passed I was well. I had spent hundreds of dollars for medicine that did not help me, but \$9 worth of Doan's Kidney Pills restored me to perfect health."

A FREE TRIAL of this great kidney medicine which cured Miss Knight will be mailed on application to any part of the United States. Address: Foster-McBarn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.

The Paragraph Pulpit.

BY EDWIN A. RUMBALL.

This week I have chosen two texts, the first from Isaiah: "I was sick and ye visited me," the second from the Bible, "Whoever would wait upon me should wait upon the sick." (Matt. 25: 36-40.)

My subject is not on sick visitation, but upon the text that says that whoever would wait upon the sick, Jesus often spoke in the terms of universal life. He tells us that if we receive an orphan into our homes, we receive Him, yea, He further says we receive God.

This is not mere figurative language, it is true as it stands. Of recent years there has arisen a thought of God which is very old, but which comes to us as fresh as new. The new Theism is neither Unitarian nor Trinitarian. In a sense it partakes of both. It tells us that God is the Infinite Life. By infinite, I mean "that which contains and includes all things that are." Thus God is not an individual, but "All in All," and we are incarnations of this life.

The inference for our daily life brings us back to our text. If the man I meet is an incarnation of Infinite life, I am trying to cheat God. When I am selfish over my money and comforts, I am trying to rob God. Everything which touches another touches God. By our careful life in our relations with each other we could render much divine service. Everything which severs is sin, all that unites is holiness. The man who seeks the harm of another, harms himself, who goes about doing good and doing good to himself.

Remember, every person you meet is the temple of God, let your contact be of the nature to call forth the Infinite to manifest his glory in his temple. Too many of our most relations bring devils to the temple-door!

"To run a newspaper successfully," says an Oklahoma editor, "all you have to do is to be able to write poems, discuss the tariff and money question, dig, saw wood, describe a fire so that the readers will shed their tears, make a dollar do the work of ten, shine at a dollar, measure calico, abuse the liquor habit, test whiskey, subscribe to charity, fend bimetalism, snort at snobbery, wear diamonds, invent advertisements, elope, pumpkin raisers, minister to the afflicted, spout the disgruntled, fight to a finish, set type, make opinions, sweep the office, everybody and everything!"

EAST STONEHAM.

We hear the Knights had a public installation Friday night.

Eugene Evans has lost his white mare. She has been sick for some time past.

Jon. Bartlett has been on the sick list the past week or two. Mrs. Bartlett also has been in poor health. They were better when last heard from.

Albert Nelson has been having a hard time with "Job's comforters." He had one boil on one of his fingers, and afterwards two boils on his wrist which was badly swollen and inflamed.

Alfred H. Speers has been to Ramford Falls on a visit to relatives and friends. As he has not had a vacation of more than one day at a time for almost nine years, I thought it worth mentioning.

There was a little excitement caused by the burning out of Albert Littlefield's chimney. Fortunately there was no damage done, the roof being well covered with snow. It was very windy at the time. As we are deficient in suitable means to fight fire we hope to escape having a fire in this village during the winter.

L. Littlefield's crew are hauling lumber to the mill. Some of the timber is taken from a timber lot. One day last week one of the teamsters, Eugene McKee, met with an accident coming down the steep hillside. Not very serious, but the rigging was somewhat broken and the teamsters and horses bruised some.

An editor, whose subscribers had been rather negligent about paying him, remarked, as he read about a woman out west who "kneads bread" with her gloves on, that "there was nothing remarkable about that," as he needs bread with his shoes on! Needs bread with his pants on! Needs bread with his coat and tie on, and unless they pay him what is due, soon, he will need bread with no clothes on! "Poor man!"

Lola McAllister burned her hand very badly.

John Grover has bought him a new horse.

Laurie Patch has been visiting her brother, Frank H. McAllister.

Clarence Files and wife visited at her father's, Asia Keniston's, Sunday.

John Files has gone over to North Stoneham to work for Harry B. McKee in the saw mill.

\$100 Reward, \$100.

The readers of paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known for the medical fraternity. Catarrh being a constitutional disease requires constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

EAST PARIS.

Mrs. Record has sold her stock and moved to Norway.

Mrs. Nellie Barnes of Portland has been visiting her mother, Mrs. Cora Hardy.

The coldest day here, one day of late, was 15 below zero, against 38 at South Paris. That is the usual difference during a "cold spell."

Mr. Tuttle has been hauling ice from South Paris. Mr. Hardy had his ice hauled by A. W. Walker's teams. He got in a good supply.

Written for the Advertiser
The Old Home Nest.

Ah! little home, that knows our hearts so well!
The hour has come when we must break the spell;
These who go forth from out thy doors to-day,
Will call thee theirs no more to-morrow;
So, sweet home, these hushed rooms through,
Walk shadows that will not quit thee for the new;
Here was the household, one in joy and pain,
That never, never can be one again!
For dear home, you know their griefs and joy,
Those playful-mannered girl and boy,
The same, the same it surely cannot be,
When stronger ones shall come and dwell in thee!

Will they have hopes and struggles, loves and fears,
Such as our own have been these many years?
Will their hearts cling to thee with clasp as tight
As clings the hearts that left thee ere that night?
Will they rejoice, as we have done, to see
A garden of flowers upon the apple tree,
And will they twine with love and care
The climbing vines that are planted there?
Ah! good-bye, we shut the door and go
To duties calling—it is better so;
But when the moon makes dark walls light,
We feel that by thee, we are missed to-night.

NORWAY CENTER.

Holman-Wyman.

Hymen's altar, radiant with its new light, was celebrated on Saturday last, January 28th, at the home of Mrs. John Wyman of Norway, where occurred the marriage of her only daughter, Mabel Louisa, to Arthur Herbert Holman of Otisfield. A beautiful arch of evergreen interwoven with flowers, with its base surrounded by potted plants and cut flowers, had been erected in one corner of the parlor.

At seven o'clock p. m. the bridal party, led by Merton Wyman, a brother of the bride, who was given the honor of 'best man,' followed by the groom, the bride and the 'maid of honor,' Lena Holman of Waterville, a sister to the groom, took their stand under the bridal arch. Rev. B. S. Rideout of Norway, who has long administered clerical rites and long been a valued friend to this community, officiated. The single ring, abridged service of the Episcopal church was used in a very impressive and pleasing manner. The immediate relatives of the two families only were present at the wedding.

Mr. Holman is a native of Otisfield and the son of Mansfield F. Holman, a respected citizen of that town. His genial, social nature combined with his sterling worth make him typical of that hardy New England stock which has so long held supremacy in the west of our Republic. He holds a host of friends from all walks of life. Especially is true in church relations, where his interest is never-fading and his cooperation warmly appreciated. Miss Wyman is the daughter of the late John Wyman, who will be remembered as one of the foremost farmers of Norway. She is endowed with a pleasing personality and a rare beauty of character which win the strongest friends where she is best known. The bride was gowned in a dainty blue cashmere trimmed with point lace. She carried a beautiful bouquet of white pinks, while other radiant productions of the florist's skill adorned her hair and gown. The groom wore a very smart black suit of conventional style and a light four-in-hand tie.

Following the wedding a reception was tendered the young couple by their numerous friends. A very pleasant programme consisting of solos, readings and remarks was easily and delightfully carried through. Refreshments of fruit, nuts and candy were served during the evening.

A large array of valuable gifts was left by the friendly hands of those who made the hour replete with good cheer and well-wishing. The following gifts were presented to Mr. and Mrs. Holman:—

Mrs. John Wyman and Merton Wyman—Money.
Mr. and Mrs. F. F. Holman—Sideboard.
Mr. and Mrs. J. H. Millet—Silver sugar shell, cream kadi and butter knife.

Mrs. Wyman, the mother of the bride, was a royal hostess. The ease and kindness with which all were greeted produced feelings of both pleasure and respect for the bride and groom. Good will and courteous congratulation ruled the evening. At a late hour the guests departed only to leave behind the friendship and the inspiration of their "God speed."
